God Bless Our Children

About Brantwood Children's Home

For nearly 100 years, Brantwood Children's Home has been caring for the River Region's most vulnerable— *victims of abuse and neglect*. Much more than a home, Brantwood strives to simulate the unconditional love and understanding that a family would have for their own children.

Each day, we strive to recreate and advance the traditional definition of a family and lend foundational support to the children under our care. Be it temporarily or for long-term, our goal remains the same— *to provide a place for the heart to heal and for important relationships to blossom*.

As much as we'd like to not have these types of homes, Brantwood aims to provide a safe and stable environment for children who need one for another 100 years.

Events such the ***Fore the Love of our Children: Golf Tournament*** and our other annual events, allows us an opportunity to create a sense of camaraderie, facilitate a friendly competition, and create lasting memories together towards ending the cycle of abuse and neglect for our children.

When we partner together, we can do so much for our children and therefore our community.

If you have been involved with any of our events this year, you know that we have remained true to a common theme— *the love that we have for our children*.

We hope that when you participate in our events, speak to our staff, or see our children, you will see the pride that beams from each of us. As much as we want to be a blessing in the lives of our children, in many ways, they have become blessings to us and we strive to share that each day.

Schedule of Events

- 12:00 Registration and Lunch
- 1:00 Shotgun Start
- 5:30 Awards Ceremony

About RTJ Golf Trail at Capitol Hill

One of the most popular sites at the trail, Capitol Hill, continues to get praises from golfers and golf writers alike. Located in Prattville, approximately 13 miles north of Alabama's state capital, Capitol Hill features three 18-hole championship courses. With more than 1,500 acres of golf and nature, the pure magnitude of the facility is amazing and allows each course to be drastically different from the others.

The Legislator Course, a more traditional course, plays in and out of pine trees and along a bluff. The view riding down "Sky Bridge" for holes laid out in a native cypress swamp is sure to impress.
