

A Letter from Our Board President

June 10, 2015

To Our Brantwood Family,

The Board of Directors would like to thank Mrs. Herbert for her 9 years of service to our home and our children. Our children were afforded many opportunities because of her efforts. We will keep her and her family in our thoughts and prayers as she pursues other opportunities.

We are pleased to announce that Mr. Gerald Jones will be our Interim Executive Director. Mr. Jones has worked tirelessly for Brantwood Children's Home for more than 20 years. He has held his most recent position of Youth Services Director for the last 9 years. He has worked "in the trenches" with hundreds of children during their journey with us and we are pleased that he has answered our call for further service.

Mr. Jones is joined by an extremely dedicated executive team who are willing to put in their hard work needed during this time of transition. I have no doubt that our team is dedicated to rearing productive members of society. Our goal remains the same- to provide a place for our children's hearts to heal and important relationships to blossom. And with your help, we're certain that that will continue.

We ask that our generous community of support rally around us right now as you have always done. Our Board of Directors, staff, and teachers remain strong and we will continue to put in the work that is needed for the advancement of our mission.

For the Children,

Delbert Madison
Brantwood Children's Home
Board President
