

Get your heart going this Valentine's Day weekend!

Brantwood is pleased to announce our fourth annual 5k, the *Love Run*, being held on Saturday, February 13, 2016 at Paterson Field.

This 5k offers multiple race divisions with awards distributed in each category. Registration is available online at www.active.com or by calling or emailing Brantwood. Entry is priced at \$25 per race participant. You may also register the morning of the race at Paterson Field for \$30. You can sleep in while making a difference by being a virtual runner for a minimum donation of \$25.

If registered by January 30th, participants will receive a commemorative t-shirt the day of the race and day-of registrants are eligible while supplies last. Be a Valentine to our children and let your gift be the Cupid's arrow through the heart of change.

We love our children; we love our fun. So let's get together and have a run!

Don't miss this opportunity to support children in the River Region, one stride at a time...
