

## Rocked with a Mission

**Prattville, AL- May 12, 2015:** On Saturday, May 9<sup>th</sup>, the band *Harmony* played for a packed house at Blue Iguana Bar and Grille. This event featured the musical stylings of Eddie Wohlford, Jimbo Jones, Kelvin Holly, Bill Hinds, and Tommy Beavers. As part of the festivities, there was a silent auction benefiting Brantwood.

Three electric guitars were auctioned. Those guitars were signed by Ted Nugent and Bobby Barth of Blackfoot. The third guitar was signed by all the members of *Harmony*. Late on Friday night, organizers of the event were able to snag a last minute addition to the auction items, a signed Alabama football by Nick Saban.

Thank you to all that came out to support this band and to support Brantwood. We are pleased to report that \$1,700 was raised. This gift will be used on transportation and associated costs for the children to attend Lake Forrest Ranch Camp in Macon, Mississippi in June.
