## AUGUST 17<sup>th</sup>

*only on*

ALABAMA NEWS .net

When you think of heroes, do you think about Batman, Superman, or Wonder Woman? How about the heroes right here in our community? When I think of our every day heroes, I think of *you*. You are the *heroes for our heroes* because you have given of yourself for something bigger.

We depend on our everyday heroes to help bridge the gap between government funding and what the true costs of raising a child are. We want to provide for all of the needs (food, clothing, and shelter) and some of the wants of our children (to participate in extracurricular activities or to celebrate their birthdays). Food costs alone are upward of \$8,000 a month. Gifts of any amount help us to maintain the services we are able to provide to the children who need it the most.

We are pleased to announce our *Heroes for Heroes* Campaign which will continue the entire month of August. We are also partnering with the Alabama News Network for a special *Heroes for Heroes* Telethon on August 17<sup>th</sup> from 5:00 until 7:00 p.m. Tune in to see your dollars at work and hear from some of our supporters on the importance of making a difference in the lives of children.

There's no reason to look any further than you, our everyday heroes. Please say you'll save the day by giving a donation during our *Heroes* Campaign.
