

Brantwood Hosts 60 Minute Coffee

September 10, 2015: On September 9, 2015, Brantwood Children's Home hosted The Montgomery Area Chamber of Commerce for their monthly 60 Minute Coffee. The Coffee is a great time to introduce new business members to the Chamber, network with professionals from various businesses, and fellowship and learn about the host site.

Nearly 200 people attended the Coffee hosted on our campus. Catering services were donated by Tammy Griffin with *A CATERED Affair* whom we have often called upon for various catering services. Guests were treated to donuts, fruit, biscuits, and breakfast casseroles all atop a beautifully decorated table-scape.

Our children were on hand to greet our guests, assist with signing in, guide them to our dining room, and give tours of our home. Our goal for the coffee and in allowing our children the opportunity to get involved was to give our guests a glimpse into our family. By opening our home, we hope that they see the happiness and joy that fills our home and what really makes it a special place in which to get involved. We are already looking forward to a successful Coffee next year.
