**BRANTWOOD'S YEAR-END DONATION CAMPAIGN**

HOSTED BY: BRANTWOOD CHILDREN'S HOME

We have 30 children who are not with their biological families this Christmas season. Many of them are experiencing many "firsts" with us, their surrogate family. For some, it's their first time putting up a Christmas tree. For others, it's their first time with gifts under that Christmas tree. All of this and so much more is only made possible by your generous monetary gifts to our home. To ensure you receive the 2016 tax deductions you're allowed, make sure your gift is received or postmarked by December 31st.
